LENA MARIAM BIJU

lenaabinu06@gmail.com | +91-8921190072 | LinkedIn Profile

Computer Science undergraduate with strong analytical and problem-solving skills. Experienced in data analysis, exploratory data analysis, and structured problem-solving through academic projects using Python, SQL, Power BI, and Google Cloud. Eager to learn and apply data science techniques while working collaboratively in team-based environments.

EDUCATION

B.Tech in Computer Science and Engineering
Muthoot Institute of Technology and Science, Kochi
Expected Graduation: May 2026 | CGPA: 9.06 / 10
Senior Secondary (XII), Kerala State Board – 98.83%
New Indian Model School, Dubai | 2022

SKILLS

Data & Analytics: Python, SQL, Data Analysis, Data Modeling, Power BI, Tableau
Cloud & Databases: Google Cloud Platform (GCP), MySQL, MongoDB
Tools: Git, Google Colab, VS Code
Professional: Analytical Thinking, Clear Communication, Quality Focus, Team Collaboration, Task Prioritization

PROJECTS

AI-Based Film Censorship System (Group Project)
Jan 2025 – Mar 2025

- Developed an AI system to detect and classify inappropriate content in films using computer vision and NLP.
- Collected, cleaned, and analyzed image and text data to support model development and evaluation
- Automated scene-level flagging and generated moderation-ready reports.

YouTube Channel Dashboard (IEEE CS SBC Workshop)
Power BI | Apr 2025

- Performed exploratory data analysis and built interactive Power BI dashboards to analyze viewer engagement and performance trends

EXPERIENCE & LEADERSHIP

Content Lead – College Newsletter Team
Muthoot Institute of Technology and Science | Feb 2022 – Present

- Led editors and designers to deliver publications on strict timelines; coordinated with faculty and student teams
- Ensured quality, consistency, and clear communication across all deliverables

Additional Activities:
Design Team Member, ACM Student Chapter – Created visual materials for events; collaborated with teams to communicate ideas clearly
Membership Development Subcommittee, IEEE SB – Supported engagement initiatives and coordinated activities to improve participation
Management Team Member, MITS Media Club – Assisted in planning and execution of events while working within structured timelines

CERTIFICATIONS

- Python for Data Science – NPTEL (IIT Madras) | Elite | 2025
- Google Data Analytics Certificate – Google | 2025
- Data Analytics Job Simulation – Deloitte (Forage) | 2025
- Google Cloud Computing Foundations – Google Cloud Skills Boost | 2024
- Artificial Intelligence and Machine Learning – L&T EduTech | 2024
